

## ASSASSIN 101

Genre: Dark Comedy

Oscar has a domestic problem, he has a killer wife... and he has to take over.

Logline: Oscar is a janitor who, to protect his family and his injured wife from the mark his wife's bullet missed, must take her place and become an overnight assassin.

ASSASSIN 101 is about what happens when pacifist Oscar the custodian finds his wife Angel left for dead outside her Travel Agency. After sixteen years, Oscar is stunned to learn that his wife is an assassin and a recent miss has made them all a target.

With the help of their son and daughter, Oscar has to find a way to keep his family safe.

An opportunity arises for Oscar to meet Kessler, the senior bodyguard of Angel's mark. Kessler comes home with Oscar after they both get drunk. Kessler's guilt makes him easy to coerce to their side.

Oscar panics when Angel's agency is found and destroyed.

He hopes something, anything will prevent him from pulling the trigger on the mark when Angel's whereabouts is found out and Oscar is too shaken to shoot.

Now it's a mad rush for Oscar and the kids to get home before the mark gets there. While Angel sets up her home defences, the mark and bodyguards get there first.

When the smoke clears, Angel and Kessler, both injured, are taken by surprise by the second bodyguard's brother. Before he can kill Angel, Oscar takes him out.

True Lies meets Spy Kids, "ASSASSIN 101" is a Red Inkworks Screenplay Competition finalist about a family who really do have each other's back.
