

STARGATE SG-1: PAWNS sample
Genre: science fiction

LOG LINE: SG-1 find themselves on Zeus' ancient Greek world. Thor's intervention throws them into a war game. Daniel must win, or they become game warriors for eternity.

Daniel is excited about a marker in Earth Greek. Thinking they'll find Olympian games, SG-1 instead finds Zeus, who summons Thor.

SG-1 soon find themselves in a game not of their choosing.

With the aid of Balder, Freya and Prometheus, Daniel has until nightfall to prevent the Greek players from retrieving their King and Queen. At the same time they have to save their King and Queen, O'Neill and Carter.

Their forces split, Teal'c and Freya stay behind to guard the Greek monarchy. Daniel fights past Zeus' intervention and Artemis to find Carter and O'Neill are guarded by Hercules.

SG-1 is overdue, Gen. Hammond sends a MALP through the stargate. Thor sends an invitation to Hammond to view the game, as it has gone into overtime. Will SG-1 win and face banishment or lose and remain with Zeus forever?
