

THE OUTFIT

Genre: Suspense/Thriller short

LOGLINE: Greed pits four teenage friends against each other after they steal the cursed belongings from a gunslinger's corpse.

After a gunslinger is shot down by angry townsfolk, four teens, Cal, Tyne, Otis and Jonas steal the gunslinger's outfit. Each having a piece, they crow until Tyne winds the stolen pocket watch that had stopped at twelve noon.

Suspicion and avarice leads to the not so accidental death of Otis.

Jonas now has the gun and the gun belt.

The three split up and ride out away from town through the desert. Jonas ambushes Tyne. Jonas takes the pocket watch and hightails it further into the desert. Cal finds Tyne's body in the brush.

Cal takes the gunslinger's wallet. He promises to make Jonas pay.

When Cal find Jonas, they shoot it out. Jonas is crazed while Carl uses his smarts to get the drop on Jonas. In the gunslinger's full outfit, Cal rides out of the dawn desert. He arrogantly spurs his horse toward a small town.

He has become the next gunslinger.
